There is a L.F. dispensary at Davangere. It is for Consideration therefore Whether it is worth While for the municipality to incur expenditure on a Vaidyasala. Rs 500 per annum for the proposed Vaidyasala Seems too much. details for the amount have not been furnished. Lib'd with a draft for appl or other orders.

2. The main source of income is 'The Levy of Tolls' The revenue from tolls is estimated at Rs 20000, a year as the levy of tolls at double the usual rate has been sanctioned till the end of the Current year. Incase the Double rate is discontinued, the income will fall down by Rs 10,000 per annum. The Mcty have not provided for the maintenance of the Water Supply approaching Completion. The Davangere municipality have asked for help from Govt towards the Drainage & Water Supply Schemes as their resources are not adequate to undertake such works.

The Jud Section may be asked to note as to Whether the finances of the municipality admit of the proposed outlay.

To

L. Krishna Rao Esquire,
Offg: Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

S I R,

I have the honor to state that the Municipal Council of Davangere resolved in their meeting held on 19th August 1916 to open a native vaidyasala in the town at a cost of Rs 500 annually. The sum proposed to be contributed yearly to the vaidyasala is a decent one which will enable to procure the services of a Pandit passed out of the Mysore Ayurvedic College. The town is a big and populous one and the necessity for a native vaidyasala appears to have been keenly felt. I therefore solicit that the opening of a native vaidyasala at Davangere and the payment of an annual grant not exceeding Rs 500 from the Municipality may be sanctioned. The funds required for the purpose this year will be met by reappropriation.

The copy of the resolution is herewith enclosed.

I have the honor to be,

S I R,

In reply to your docket No. 3692/M1.11-16-27 dated 7th December 1916 enquiring whether a competent local Ayurvedic Pandit is available for employment, I have the honor to state that there is one available viz Y. Lakshminarasimha Sastry of Tyamagondlu, Bangalore District who has passed the Mysore Examination of Ayurveda Vidwan in the 1st class and who has also received a post Collegiate course of ~~institution~~ instruction at Calcutta. He has been strongly recommended by the Huzrai Superintendent who has forwarded his application.

2. The Davangere Municipality is one of the few local bodies which can afford to entertain a well qualified Ayurvedic Physician on a suitable remuneration and I think that the candidate now in view is eminently deserving of encouragement and an opportunity to exercise his healing art.

3. I therefore strongly recommend the proposal of the Municipality for early sanction.

I have the honor to be,
